UNDERGRADUATE PROGRAM REQUEST

I am writing to request permission to teach a course based on research in the area of [REDACTED]. I have been teaching this course for [REDACTED] years and have received excellent feedback from students. I have also published several articles in the field of [REDACTED]. I believe that this course would be a valuable addition to the undergraduate program and would provide students with a unique learning experience. I have attached a syllabus for the course and a list of references. I would appreciate your consideration of this request.

Sincerely,
[REDACTED]
