Problem: you cannot get your email Make sure your Internet connection is working; to test it, you can try to go to a new web page and see if it loads.

- If you are having problems with a UAF account, you will need to contact the **UAF help desk 1.800.478.4667**. If it is another company's account, you will need to contact their customer support. There is very little we can do to assist you as we have no control or access to the computers that serve the email.
- Check with your email program's Help.
