# Undergraduate Research and Scholarly Activities

# Division of General Studies

Undergraduate Research and Scholarly Activities is a program designed to provide students with the opportunity to engage in research and scholarly activities. The program is open to all students who are currently enrolled in a degree program at the University of North Carolina at Chapel Hill. Students who are interested in participating in the program should contact the Undergraduate Research and Scholarly Activities office at 100 South East Johnson Street, Chapel Hill, NC 27514. The office can be reached by phone at 919-957-1234 or by email at [ugrsa@unc.edu](mailto:ugrsa@unc.edu). The program is funded by the Division of General Studies and the Office of the Vice Chancellor for Research and Creative Activity. The program is open to all students who are currently enrolled in a degree program at the University of North Carolina at Chapel Hill. Students who are interested in participating in the program should contact the Undergraduate Research and Scholarly Activities office at 100 South East Johnson Street, Chapel Hill, NC 27514. Library collections are a vital part of our academic mission. We are currently reviewing our collection development process to ensure it is efficient and effective. We encourage you to provide feedback on your current experience and any suggestions for improvement.

The library is committed to providing a high-quality collection of books, journals, and electronic resources to support the needs of our students and faculty. We are currently reviewing our collection development process to ensure it is efficient and effective. We encourage you to provide feedback on your current experience and any suggestions for improvement.

Our collection development process is a continuous one, and we are always looking for ways to improve. We encourage you to provide feedback on your current experience and any suggestions for improvement. We are currently reviewing our collection development process to ensure it is efficient and effective.
