The UAF Faculty Senate passed the following at Meeting #194, November 4, 2013:

Note: Corrections were made by SADAC Chair on the Senate floor. They are underlined in the paragraph under "Course Prerequisites."

MOTION

The Faculty Senate moves to amend the 2014-15 Catalog to reflect a new Mathematics and Developmental Mathematics placement policy, as indicated below:

EFFECTIVE: Fall 2014

RATIONALE:

This motion is brought to the Senate by the Department of Mathematics, the Department of

and the Curricular Affairs Committee.

special cases. Students who have limited access to technology or who have disabilities will be provided with extra support as their instructors can provide alternative placement strategies.

The Mathematics Placement Committee is working with the bursar's office, the registrar's office, and the Provost's office to address mechanisms by which this \$25 fee will be paid. Currently it is expected that the cost will be added as a one-time course fee to the student's initial DEVM or Math class. If the new placement policy works as expected, fewer students will repeat courses or be placed in courses that are inappropriate to their skill level, reducing their overall cost in
