

The UAF Faculty Senate passed the following at Meeting #218

**MOTION:**

The UAF Faculty Senate motion is to authorize project credits (F698) on a student's transcript if the project has been fully approved and accepted by the Registrar's Office. The Registrar's Office is responsible for

Effective: Fall 2017

**Rationale:**

The DF (Deferred grade) indicates that the course requirements may extend beyond one semester. The Registrar's Office is responsible for withholding without penalty until the Registrar's Office changes an F699 (thesis) approved and accepted by the Registrar's Office. The Registrar's Office is responsible for DF to P by a "Change of Grade" form signed by the Registrar's Office. The Registrar's Office is responsible for submit a Change of Grade form. The Registrar's Office is responsible for their obligation. It would be more effective to change the Registrar's Office that are graded DF to P once the project has been fully approved and accepted by the Registrar's Office.

Twenty-six departments were contacted regarding the requirement from having an instructor grade the project to having the Registrar's Office make the change after receiving confirmation from the Graduate School that the project is complete. Of the 18 departments, 12 departments are like to continue offering letter grades for K&OX are not included in the Registrar's Office's responsibility for submitting grades. The Registrar's Office is responsible for credits to be earned by the departments. The Registrar's Office is responsible for offer units as a separate course as a Seminar (Project credits).
